

## Public Policy/MBA Advisement Form/Checklist:

\*Please note that this form is **not** for use with traditional, BAMA, or MPH dual master's programs. This form is intended for Public Policy requirements only (for the MAPP/MBA dual degree) and students are expected to meet with their MBA advisor regularly for their MBA degree requirements.

\*\*Degree Works may not accurately reflect course progress for dual degree programs.

\*\*\*Please refer to the Public Policy handbook for policies and reach out to your Graduate Program Advisor or Director with questions.

### Required/Core courses:

**POL 501 (3 credits)** Introduction to Statistics for Public Policy

**POL 502 (3 credits)** Intermediate Statistics for Public Policy

**POL 535 (3 credits)** Public Policy Analysis and Evaluation

**POL 537 (3 credits)** Administrative Law for Policy Analysts

**MBA 592 (3 credits)** Organizational Behavior

**POL \_\_\_\_\_ (3 credits)**

**POL \_\_\_\_\_ (3 credits)**

**Above is total of 21 credits.**

Please see page 2 for remaining 6 credit requirements.

## Options for final 6 credits:

### Option 1:

Internship or thesis. Students interested in this option are required to take POL 596 (1 credit/online) The Capstone Prep seminar the semester prior to starting the capstone.

**POL 597** (Internship) or  **POL 598** (Thesis Project)

### Option 2:

Students may take 2 additional Public Policy electives (6 credits total). \*This is the department's recommended option.

**POL \_\_\_\_\_ (3 credits)**  **POL \_\_\_\_\_ (3 credits)**

### Option 3:

Students may take a **combo** of 2 additional Public Policy electives and/or 2 additional MBA electives (6 credits total). Please note that taking additional MBA course requires the approval of the Public Policy director as well as confirmation for your MBA advisor that these additional MBA courses are not being counted towards your MBA requirements.

**Please choose two:**

**POL \_\_\_\_\_ (3 credits)**  **POL \_\_\_\_\_ (3 credits)**  
 **MBA \_\_\_\_\_ (3 credits)**  **MBA \_\_\_\_\_ (3 credits)**
