

BIO Honors Application Form

Applicant Sponsor Signature and Readers Page

Student Name

Student Stony Brook ID

Project Title

Please identify your Sponsor and a committee of two faculty members who have agreed to evaluate your written thesis. This should be discussed with your sponsor. This committee should include at least one person from a different department than your sponsor, and at least two of the three committee members should be from a Life Sciences department.

For faculty:

I support the above student's application for honor's candidacy, and recommend the reading committee below.
