# Zoom Etiquette

## Video Faux Pas

Don't walk around with your device. Turn off your video & microphone if you decide to use the bathroom, eat, answer the door or answer the phone.

## Designate Your Workspace

Ensure your workspace is quiet, clean, and has an appropriate background. Or, use a virtual background.

## Set Up Your Tech

Check your Wi-Fi, test your video and audio, and get familiar with the software before entering the meeting.

## Communicate with the Host

Zoom includes buttons for raising your hand, responding yes or no, asking host to adjust speed, requesting a break, and more.

## Be Professional

Be on time to meetings, dress appropriately, and sit tall and look directly into the camera when using video.
