OVPR SEED GRANT PROGRAM WORKSHOP SERIES

The Office of Proposal Development is pleased to present:

Dr. Prateek Prasanna

Assistant Professor, Department of Biomedical Informatics, COVID-19 Seed Grant Cycle

The Virus is in the Details: Discovering Subtle COVID-19 Visual Features on Chest Radiographs Using Machine Learning

Monday, September 27, 2021 • 4-5pm

The purpose of this series is to highlight projects funded by the OVPR Seed Grant Program since its inception in 2018 and to provide investigators with an opportunity to discuss their projects with an interdisciplinary faculty group and to connect with potential collaborators. Open to all SUNY investigators. The presentation portion of this session will be recorded. The Q&A will not.
