Change of Status to reflect: (Circle One)                      Graduate                      Undergraduate

I am currently enrolled in a Combined Bachelor's/MAT degree program. I understand that all graduate courses taken at Stony Brook University will be used in the calculation of my graduate grade point average.

I am also aware that changing my academic status will affect my on-campus housing, financial aid and tuition charges. I have discussed these changes with the appropriate departments and have made the proper arrangements to satisfy this transition.
